

Applications:

Suitable for garden irrigation and watering.

Properties:

3 layers
Flexible PVC hose reinforced with polyester yarns
UV- protections added
DOP Free

Standard Colors:

Dark Green with orange strip
Available in various colors for identification

Temperatures Range:

-10°C < Temp <60°C

Standard:

Tolerance: ISO 1307
RoHS, Reach Standard

Packing:

1/2" Available in coils up to:
15m', 20m', 25m', 30m', 50m'
length.
3/4" Available in coils up to:
25 m', 50 m' length
